End of Life Decisions

The measure to love is to love without measure. This can be very challenging, especially when your loved ones are facing terminal illnesses and you wonder if ending their suffering is the loving thing to do. To learn more about end of life issues, to make the right and loving decisions, check out the booklet "Now and at the Hour of Our Death" on our [end of life webpage](#)

THE SANCTUARY LAMP

Is a vigil light burning 24/7 and kept near the Blessed Sacrament. The light indicates the unfathomable mystery of the Eucharistic presence of Jesus. It reminds us of the reverence due to the Sacrament. The burning light is a pious custom as a way of prolonging our adoration and prayer to honor His presence.

Remember Me In Your Kingdom

Praying for our deceased, no matter how long it has been, is a way of remembering them and asking the Lord to grant them repose in His dwelling of light, so they may rejoice with all the saints.

Every last Sunday of the month, the Divine Liturgy will be offered in memory of those who passed in that particular month. If you would like to have your deceased remembered, please send me their names and the month they passed.
